inc 1 st in every 3rd st, 12 times) k 10. There will now be 58 (63—66) sts on needle. Inc 1 st at seam edge every 6th row, 8 times to 64 (71—74) sts. *But when 7" from lower edge start converting* the centre sts into yoke patt (7 garter, 3 ss) as follows: * work 4th st from garter stripe into garter and work 1 more st into garter every other row till there are 7 sts in garter, work 6 rows; rep from * till all sts are worked into yoke patt. *But when front is 13½"*, cast off 7 sts at underarm. Cast off 2 sts at beg of next 4 rows at armhole edge, dec 1 st at same edge every row to 47 sts (all sizes). When all sts are worked in yoke patt, cast on 7 sts at armhole edge (54 sts). Work all sts in yoke patt having 14 sts in garter at the armhole instead of 7 and always knitting the 1st stitch at that edge. When the armhole measures 4½" straight up from underarm, then place first 10 sts at neck edge on holder. Cast off 2 sts at neck edge twice, dec 1 st at the neck edge every other row to 35 sts. When armhole measures 7" straight up from armhole, k the first 7 sts at armhole edge and place on a holder. Shape shoulders, by casting off 7 sts at beg of next 4 rows from armhole edge.

RIGHT FRONT : Work same as left front, having 7 garter border sts at end of a p row and working **buttonholes**[2] in these border sts if desired. Sew the shoulder seams and **graft**[1] the 7 outside border sts to those on back.

NECK : Pick up 96 sts around the entire neck and work in garter for 1 inch. Cast off on wrong side loosely. Sew sleeves in armholes under the 7 border sts.

into garter, working 1 st more each side of centre into garter every other row (on wrong side of work) until there are 13 (13 — 12) sts in centre in garter. Divide work in half, knitting 2 sts tog in centre for sizes 36 and 38. Place one half on holder and work up on other half, decreasing 1 st on inside of 6 neck border garter sts (by knittin the 7th and 8th sts from neck edge tog) every 4th row to 34 sts. Work even till armhole is the same as back to shoulder, then cast off 7 sts at beg of next 4 rows from armhole edge. Work up on rem 6 sts in garter for 2½". Place sts on holder, work other side to correspond. Join shoulder seams. **Graft**[1] band together at centre back and stitch to neck edge.

SLEEVES : On No. 12 needles, cast on 52 sts and work in rib of k 1, p 1 for 4". In last row, inc 1 st in every 4th st (65sts). Change to No. 9 needles and work in patt, inc 1 st at each side every ¾", 6 (7 — 7) times, then every inch to 91 (93 — 95) sts. Work even until sleeves measures 20" (20" — 21") from lower edge. stripe. Break yarn. Divide sts for instep as follows: Slip the first 16 sts on spare needle. With another needle, join Raisin and k across next 33 sts for instep. Place the rem 15 sts on spare needle and leave for heel. Now work back and forth on the 33 instep sts in patt (purling the even rows and when the 5th row comes on wrong side, p 1, slip 1, across row). Work 16 rows in Raisin in ss after 1st instep patt stripe. Work for 2 patt stripes (3 for size 11 etc). Break yarn and leave st on needle. Start heel: Join Raisin yarn and with the wrong side of work toward you: *1st row:* K 1, p 29, k 1. *2nd row:* * k 1, slip 1, repeat from * to last st, k 1. Be careful not to draw yarn too tightly behind the slipped st. Repeat these 2 rows for 2½", end with a purl row. Turn heel: *1st row:* K 18, k 2 tog, k 1, turn. *2nd row:* p 7, p 2 tog, p 1, turn. *3rd row:* K 8, k 2 tog, k 1, turn. *4th row:* P 9, p 2 tog, p 1, turn. Cont in this way working toward sides of heel, having 1 st more before dec every row until 19 sts rem. Knit across these 19 sts. Pick up 18 sts along each side of heel (55 sts). Dec 1 st at each side (k 2nd and 3rd sts from each end tog) every k row until 33 sts rem. Work even until sole measures same as instep piece, ending a purl row. Using 3 needles, and still working with Raisin proceed: K 17, (this is 3rd needle) with another needle k rem 16 sts (this is 1st needle). With another needle knit across 33 instep sts, (this is 2nd needle). Join and k around until work from *back of heel* is 8" for size 10, 9" for size 11, 10" for size 12. Decrease for toe as follows: *Rnd 1:* 1st needle, k to last 3 sts, k 2 tog, k 1. 2nd needle: k 1, k 2 tog, k to last 3 sts, k 2 tog, k 1. 3rd needle; k 1, k 2 tog, k to end of needle. *Rnd 2:* Knit. Rep these 2 rnds until 22 sts rem. Break yarn, leaving an end. **Graft**[1] the 11 instep sts with those on sole.

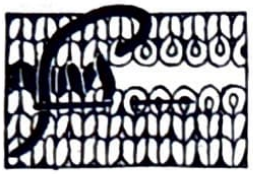
FINISHING



1 *GRAFT OR WEAVE:* Take the two sets of sts for weaving, slip sts off stitch-holders and immediately press on wrong side to prevent sts from dropping. Thread tapestry needle, hold work with right side facing. Pass needle from back to front through first loop in front row of sts, then pass needle from back to front through first loop in back row of sts. Pass wool through former and next loop in front row as seen in the illustration, then through the former and next loop in back row. Continue thus until all sts have been worked.

or

With stitches to be joined on 2 needles, hold together. Thread needle * pass needle through first stitch of the front needle, as if to knit, and slip stitch off — pass through 2nd stitch, as if to purl, but leave it on the needle — draw yarn through first stitch of back needle, as if to purl, slip it off — draw yarn through the 2nd stitch of back needle as to knit, leave it on. Repeat from * until all stitches are joined. Fasten off.

In both cases it is important not to draw the working thread too tightly or leave it too slack. It should resemble the stitches of the fabric when finished.

2 *BUTTONHOLES* may be made in four ways.

a) ***Knitted into the garment:*** It is advisable to knit the button side first (usually given in that order in instructions) and sew on or mark places for buttons on it. Then work other side, making buttonholes to correspond with places marked. Work over about ¼" from buttonhole edge, cast off required number of sts (to fit button) work to end of row. On return row, cast on same number of sts as those cast off in previous row.

b) ***Worked afterwards:*** Sew on or mark places for buttons on one side. Then with any pointed instrument, pencil, scissors etc, force a hole in other side large enough to fit over button, being careful not to break yarn. Overcast or buttonhole stitch around hole using same yarn, splitting it if too thick. By this method you are free to chose your type of closing, be it zipper, frogs, hooks and eyes, laced, tied, or whatever. It also allows you to add a few extra inches in width, if necessary, by crocheting a border on each side and working buttonholes in it.

c) ***Crocheted in a border:*** On button side, crochet desired width of border in sc so that it will be flat. Sew on or mark places for buttons. Then on other side work ½ width of border in sc, and make buttonholes to correspond with places marked by chaining required number of sts (to fit button), skip same number of sts on previous row, work sc to next buttonhole placement and repeat. Work even in sc for required width.

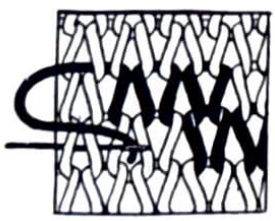
d) ***Put in by machine:*** (usually done when garment has ribbon border).

3 *PICOT:* * ch 3, slip st back into the first ch at beginning of ch 3, 1 sc in next 3 sts across row; rep from * to end.

4 *POPCORN:* With crochet hook, * 4 dc in same st, drop loop from hook. Insert hook in top of first dc and draw dropped loop through, sl st in next st: rep from * around. Fasten off.

5 *BEADING FOR ELASTIC:* (inside at waistline) * ch 5, skip 2 sts, slip st in st ½ inch below next st, ch 5, skip 2 sts, slip st in next st ½ inch above; repeat from * around.

6 *FRINGE:* Wind yarn over cardboard the desired width and cut at one end. * insert hook in edge of article. Fold 2 or 3 strands in half and draw loop through with hook. Draw ends of wool through loop and pull tight. Repeat from * and trim.



7 *DUPLICATE STITCH:* Thread needle with contrasting colour, and bring the needle up through stitch below the one to be covered, pass it under the stitch above the one to be covered, then take needle to back through the same hole in which it was first brought up. Repeat this over every stitch required for monogram.

KNITTING INSTRUCTIONS

CHECK YOUR TENSION FIRST: To produce a garment like the original you must knit at the same tension given. Any variation in wool will alter the tension and although the instructions are followed the garment will be out of proportion. Hence we advise you to cast on double the tension called for—if 8 sts = 1", then cast on 16 sts and work in ss (unless otherwise stated) for 2". Cast off. Block the piece and measure its width. If your tension is correct it should measure 2". If less than 2", try a larger needle; if more than 2", try a smaller needle. Should the number of rows also be given then this must be checked too. ALWAYS ADJUST THE SIZE OF NEEDLE TO SUIT THE TENSION.

JOIN YARN: It is advisable to join yarn on seam edge if possible, otherwise knit a stitch with the new yarn and leave a 3" end. Work several rows, then come back and tie the knot.

PUT IN A MARKER: Whenever it is important to increase or decrease in a straight line a marker is used. Make a loop of contrasting yarn and place on the right-hand needle as directed. This loop is not knitted but is slipped from one needle to the other as work progresses.

YO (YARN OVER): ***Before a knit st***, bring yarn forward between needles (if not already in this position) then up and over the right-hand needle. Knit the next stich. ***Before a purl st***, bring yarn forward between needles (if not in this position) then up and over right-hand needle and forward again between needles ready to purl.

SLIP 1: Slip a stitch purlwise (as if to purl) unless otherwise stated. When working short rows (shaping of panties, shoulders, heel, etc.) always slip the first stitch and work the next one firmly.

EVEN: Means no increasing and decreasing.

WORK: Means to continue in the stitch you have been doing.

*: Means instructions which follow * are to be repeated.

EDGES

IN GARTER: Slip the first stitch knitwise (as if to knit).

IN STOCKINETTE (SS): Slip the first stitch knitwise on a purl row and purlwise on a knit row.

IN MOSS (MS): Slip the first stitch purlwise for a purl stitch and knitwise for a knit stitch.

CAST-ON: a) with 2 strands if yarn is fine.
b) and knit the first row tbl (through back of loops) if method II is used.

CAST-OFF: a) with 2 strands if yarn is fine.
b) in pattern.
c) on wrong side in garter stitch.
d) loosely with larger needle.
e) neck of children's pullovers by picking up an extra stitch on left-hand needle every so often and casting it off with the rest.

INCREASES AND DECREASES

TO DECREASE: at the beginning of a row, before a marker or before the neck edge; k 2 sts tog, tbl (through back of loops) or sl, k and pass.

TO DECREASE: at the end of row, after a marker, or after the neck edge; k 2 sts tog as if to knit 1.

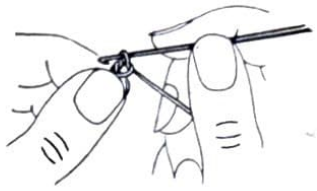
TO INCREASE: a) knit in front, back and front of same st.
b) raise a loop beneath next st and knit it.
c) raise a thread between 2 sts and knit it.
d) yarn over. Methods "a" and "b" leave a hole.

All increases and decreases are made 1 stitch in from the edge unless otherwise stated.

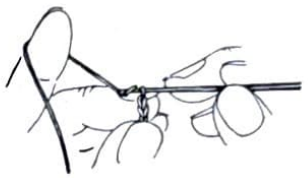
CROCHET STITCHES

TO CHAIN (ch)

Make a loop and draw main length of yarn through the loop. Tighten (Fig 11). Hold loop in left hand, * insert the hook in loop and pick up main length of yarn on hook (this is subsequently referred to as *yarn over*) (Fig 12). Pull through a loop making 1 ch; repeat from * for required length.



11



12

SLIP STITCH (sl st)

With a stitch on hook, * insert the hook in next ch, yarn over (Fig 13). Pull through ch and loop on hook. This stitch is used in joining or whenever an invisible stitch is required.

13

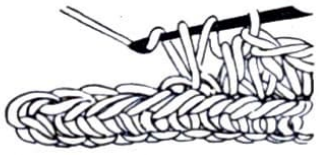
SINGLE CROCHET (sc)

With a stitch on hook, * insert hook in next ch, yarn over (Fig 14). Pull through ch (2 loops on hook), yarn over and pull through both loops. Next row of sc, ch 1, turn. Work next sc in 2nd sc of row below; the ch 1 counting as 1 sc.

14

HALF DOUBLE CROCHET (hdc)

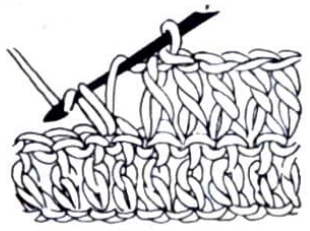
With a stitch on hook, * yarn over, insert hook in next ch, draw yarn through (3 loops on hook), yarn over (Fig 15). Draw through all 3 loops. In succeeding rows of hdc, ch 2, turn. Work next hdc in 2nd hdc of row below; ch 2 counts as 1 hdc.



15

DOUBLE CROCHET (dc)

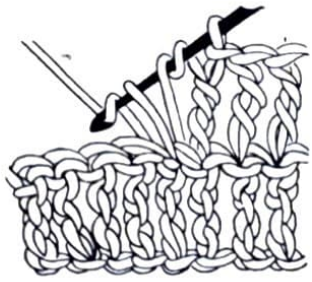
With a stitch on hook, * yarn over, insert hook in next ch, draw yarn through (3 loops on hook), yarn over (Fig 16). Pull through 2 loops, yarn over, pull through last 2 loops. In succeeding rows of dc, ch 3, turn. Work next dc in 2nd dc of row below; the ch 3 counting as 1 dc.



16

TREBLE CROCHET (trc)

With a stitch on hook, * yarn over hook twice, insert hook in next ch, draw yarn through (4 loops on hook), yarn over (Fig 17). Pull through 2 loops yarn over, pull through 2 loops yarn over, pull through last 2 loops. In succeeding rows of trc, ch 4, turn. Work next trc in 2nd trc of row below; the ch 4 counting as 1 trc.



17

DOUBLE TREBLE (dtr)

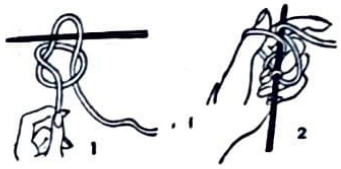
With a stitch on hook, yarn over 3 times, then over and draw through 2 loops at a time till 1 remains.

TO INCREASE: Work 2 stitches in one stitch as directed.

TO DECREASE: Work dc to point where 2 loops remain on hook, yarn over, insert hook in next stitch, yarn over, draw through stitch (4 loops), yarn over, draw through 2 loops, yarn over, draw through remaining 3 loops. 2 dc have been worked as 1. Decrease other crochet stitches in the same manner.

CAST-ON Method I

(1 needle and thumb). Make a slip knot leaving an end long enough to cast on the required number of stitches and place on a needle (Fig 1). * with short end of yarn make a loop on the left thumb, insert needle into loop, and place main length of yarn over the needle and pull through loop (Fig 2). Drop the yarn from thumb and carefully tighten the stitch on needle (Fig 3). Repeat from * for the required number of stitches.



1 2

CAST ON Method II

(2 needles). Make a slip knot on left-hand needle, * insert right-hand needle into the loop from left to right, pass yarn around the point of right-hand needle (Fig 4). Draw the yarn through, thus forming another loop which will be on right-hand needle, slip this on the left-hand needle, inserting the needle from right to left and drop it from right-hand needle. Repeat from * for the required number of stitches.

3 4

NEEDLES in knitting position and showing the right or smooth side of stockinette stitch (ss) (Fig 5).

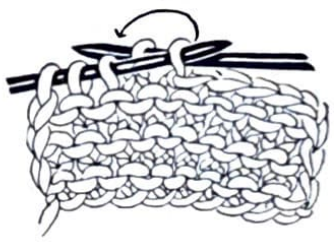
5

NEEDLES in purling position and showing the wrong or rough side of stockinette stitch (ss) (Fig 6).

6

TO CAST-OFF

Knit 2 stitches, * pass first stitch over 2nd, knit another stitch again having 2 stitches on needle; repeat from * until 1 stitch remains. Break yarn, and draw through the remaining loop (Fig 7).



7

TO PICK UP a dropped stitch on the right or knit side of work with crochet hook see (Fig 8).

TO PICK UP a dropped stitch on the wrong or purl side of work with crochet hook see (Fig 9). In garter, alternate first a knit stitch then a purl stitch.
